collection **PLAY**

Linee squadrate ed angoli smussati, forme pure e neutre facilmente inseribili in ogni tipologia di ambiente bagno sono le caratteristiche della nuova linea Play.

Nata dall'estro del team creativo Flaminia, questa collezione, giocosa e leggera come suggerisce il nome, è composta da: un wc sospeso con sistema **goclean**, un bidet sospeso e una vasca freestanding. La vasca da bagno ha un disegno moderno ed essenziale e bordi importanti che le donano carattere e personalità. I sanitari Play sono disponibili nei colori opachi Cenere, Carbone e Latte e ovviamente nel tradizionale bianco lucido.

Squared lines and rounded corners, pure and neutral shapes that can be easily included into any bathroom environment: these are the characteristics of the new Play line.

Born from Flaminia creative team, this collection, playful and light as the name suggests, consists of: a wall-hung wc with the **goclean** system, a wall-hung bidet and a freestanding bathtub. The bathtub has a modern and essential design and important edges that give it character and personality. Play sanitarywares are available in the matt colors Cenere, Carbone and Latte and obviously in the traditional glossy White.

APPLIGHT

La recente linea di lavabi AppLight, parte della collezione App, si arricchisce con due nuovi modelli: un lavabo da 120 cm con doppia vasca e un lavamani reversibile. Entrambi, con piano rubinetteria e doppia installazione, da appoggio e sospesa, sono disponibili nei colori Latte e Carbone e nelle nuove nuancès Uva e Menta.

I lavabi AppLight, dalle linee nette e i volumi marcati, si distinguono per i bordi sottili e sono facilmente abbinabili alle collezioni di sanitari Flaminia. Realizzati in 4 dimensioni e tre profondità, gli AppLight rispondono a tutte le esigenze di spazio e di arredo.

The recent line of AppLight washbasins, a part of the App collection, is enriched with two new models: a 120 cm washbasin with double bowl and a reversible basin. Both, with tap ledge and dual installation (countertop and wall-hung) are available in Latte and Carbone finishes and in the new Uva and Menta nuances.

The AppLight washbasins, with clean lines and marked volumes, stand out for their thin edges and can be easily combined with all Flaminia sanitaryware collections. Made in four sizes and three depths, the AppLights meet all space and furnishing needs.

CM3

CM3 è la nuova soluzione doccia in ceramica di Flaminia. I piatti doccia CM3, con soli 3 cm di altezza, sono installabili filo pavimento e in appoggio, sono reversibili e hanno in dotazione uno scarico da 90 mm con copripiletta quadrato in acciaio, realizzabile su richiesta anche in tinta. La superficie antiscivolo e antibatterica li rende resistenti alle macchie e facili da pulire. Anche lo scarico è ispezionabile e di facile manutenzione. La gamma CM3 prevede 6 dimensioni e 4 diversi colori opachi: bianco, avorio, grigio e nero.

CM3 is the new ceramic solution for the shower by Flaminia. The CM3 shower trays, just 3 cm high, can be installed on the floor or built in it, they are reversible and supplied with a 90 mm drain and a square steel drain cover, which can also be made in the same color of the tray. The anti-slip and antibacterial surface makes them stain resistant and easy to clean. Even the drain is inspectable and easy to maintain. The CM3 line includes 6 sizes and 4 different matt colors: White, Ivory, Gray and Black.
